

REMARKS

Prior to the payment of the issue fee, Applicant submits the following amendment under 37 CFR 1.312. These amendments should be entered as they do not change the scope of the claims. In particular, the amendment merely inserts the claim of priority into the specification (that was already properly made in the submitted declaration) and corrects minor errors in the claims.

CONCLUSION

The Examiner is invited to call Applicant's attorney at the number below in order to speed the prosecution of this application.

The Commissioner is authorized to charge any deficiencies in fees and credit any overpayment of fees to Deposit Account No. 07-1896.

Respectfully submitted,
